Metro

Metro Equity Platform Framework

Access to opportunity: a core concept to public decision-making, public investment, and public service

- Vast disparity exists in LA County among neighborhoods and individuals:
 - To seize opportunity – jobs, housing, education, health, safety;
 - To improve their circumstances to do so.
- Transportation is an essential lever to enable that access.

Metro Equity Platform Framework

Why an Equity Platform now?

- As a transportation leader, Metro can and should address disparities.
- Metro has already signaled a change:
 - Measure M: performance metric considerations
 - New Long Range Transportation Plan committed early to Equity
 - Recent, targeted community collaborations (First/Last Mile, Rail to Rail grant effort)
- Exploratory outreach to LA County equity thought leaders

Metro Equity Platform Framework

Multi-point Equity Platform built around four pillars:

I. Define and Measure

II. Listen and Learn

III. Focus and Deliver

IV. Train and Grow

Metro Equity Platform Framework

I. Define and Measure

Need a common basis to build an equity agenda.

- “Equity” holds different perspectives and priorities for many.
- Inequity → fundamental differences in access to opportunity
- Race and Class—historically and currently—predominate disparities in LA County
 - Concentrated in poor, minority communities
 - Age, gender, disability, and residency also can expand or constrain opportunities

Metro Equity Platform Framework

I. Define and Measure (cont.)

- Pursue an inclusive conversation that commits to:
 - Establish meaningful goals around a shared definition of equity – and actions to achieve those goals;
 - Define metrics to evaluate outcomes, including investment decisions;
 - Ensure consideration at the front end, not the back end;
 - Seek out and involve the diverse range of voices that must collaborate on above.

Metro Equity Platform Framework

II. Listen and Learn

Establish comprehensive, multiple forums to engage the community meaningfully and actively in defining, measuring and acting on equitable outcomes.

- Open the conversation with LA's community members to address:
 - where achieving equity has been problematic — broadly, and specific to transportation;
 - where improved relationships, partnerships and actions can advance more equitable transportation outcomes going forward.

Metro Equity Platform Framework

II. Listen and Learn (cont.)

- Recognizing past experience provides foundation for a different future.
- Community-driven conversation is essential.
 - Seek best practices.
 - Establish distinct advisory body for the equity agenda.
 - Engage CBOs in community outreach and problem solving.
 - Build local government technical capacity serving historically underserved communities

Metro Equity Platform Framework

III. Focus and Deliver

The Long Range Transportation Plan is unifying activity with 2 major crosscutting Equity arenas:

- Where Metro Leads
 - Transportation planner, operator, builder and funder;
 - Performance-based investment decisions that:
 - a) advance outcomes to promote and sustain opportunities;
 - b) avoid outcomes that aggravate disparities in opportunity;
 - Operating/maintaining the system impacts opportunity as much as infrastructure investments.

Metro Equity Platform Framework

III. Focus and Deliver (cont.)

- Where Metro Partners
 - Beyond Metro's core transportation responsibilities—Land Use
 - Gentrification/displacement/affordable housing
 - An urgent issue in every corner of the county
 - Metro cannot address alone—Partners are essential: local government, business, community advocates, foundations

Metro Equity Platform Framework

IV. Train and Grow

A new equity agenda requires “top-to-bottom” ownership throughout the agency.

- Training in two important areas:
 - Methods to evaluate equity including data collection, measurement and analysis;
 - Approaches to effectively communicate and work with communities with priority and respect for equity issues.

Metro Equity Platform Framework

Next Steps

- The Equity Platform is a framework.
- It intends to shape specific analyses and actions going forward.
- Experience may redirect and improve the platform.
- The PAC is an essential touchstone for input and checkpoint for progress.
- Presentations to the Metro Board are key.

Thank you
